

# Burnaby Track Nationals

## Aug 27<sup>th</sup> summary

Wednesday saw the first day of the five-day 2008 Canadian Track National Championship. The program ran smoothly with the evening's awards presentation concluding about the time racing was scheduled to end. Great job by everyone involved!

Official results will be posted shortly, but many familiar BVC racers were seen on the podium and we witnessed exciting racing including a dramatic senior men's team pursuit that came down to a wheel.

We had a good spectator turn-out and the beer garden opens tonight which never seems to dampen attendance! Saturday night at 5:30 has the always-fun Kiddie Kilo returning as the Timbits Challenge. Primary sponsor Tim Hortons has provided T-shirts, backpacks and medals for the hyper-competitive kiddie field, while mom & dad can enjoy Timmy's coffee, Red Truck and a supply of donuts.

Today's schedule includes a wide range of events, with the evening (7-9PM) featuring junior sprint and elite points race finals. A U17 6x10 points race "Challenge" is sure to provide a great show for the after-dinner crowd so turn off the tube and cheer on the U17s! Grab your camera, come out for an event, a day or an evening and watch some history get made under the dome!
